

ATTENTION PLEASE!

Students, Parents, Teachers, Volunteers...

Please Be a Part of Our Team

The Partnership in Patriotism Concert Committee is seeking volunteers from our community to help promote and support our November 10, 2006 Veterans Day Weekend concert in honor of and memory of America's disabled veterans which will be held at the Lockport High School.

Besides attending this event, you may also help with donations to the American Veterans Disabled for Life Memorial in Washington, DC. Below are just some ideas of how you can help.

50/50 Raffle

The 50/50 raffle is a very simple fundraiser that many choose to use as it doesn't require too much work. All you need are a few rolls of raffle tickets and a bin for the money (make sure you have one for the raffle stubs!) Have one at your workplace on payday or at any special event that you're involved in.

Basket Raffle

At School - each classroom picks a certain topic they will use for their basket, such as a sports basket or a chocolate lover's basket. There are hundreds of ideas. Items get donated.

Bake Sale

Organize a bake sale at your school. Sporting events and theater productions would also be the perfect time to host a bake sale. Local craft shows may allow free booth space for a worthy cause.

Crafty Fundraiser

Have a table with hand-made crafted items, sell raffle tickets. Everyone's a winner!

Guessing Game Jar

This can be done at work or at school and perfect for around the holidays. People pay a pre-determined amount to guess how many are in the jar! Keep the jar out for 1-2 weeks. The person who is the closest gets to take home whatever is in the jar!

Trike-A-Thon

This is a great fundraising event that the kids will love! Young children get donations per lap that they will ride on their tricycles on a given day or flat donations. Hold this event on a Saturday or Sunday so the parents can come cheer the kids on!

Please send any proceeds or donations directly to the Memorial Foundation
