

Dear Visitors to our Site:

Would you like to help support our troops? Here's how we've done it:

1. Contact the closest military base near your community and local recruiting offices as well.
2. Notify churches and synagogues in your area that you have a program to "adopt" soldiers and are seeking addresses from military families.
3. There are also numerous sites on the internet, which are useful: Some are on our website. Here are a few others. Research will provide you with more.

<http://www.supportamericasarmedforces.com/adopt.html>

<http://soldiersupport.net/contact.html>

4. Our wounded soldiers are also in need of support. Letters and packages to Military Hospitals or donations to the USO and other military support groups may be located on the internet as well.

We wish you great success in supporting our soldiers!

Renee Knight, Chairperson
Partnership in Patriotism Coalition
